

Pork Package for Spring and Summer 2022

Seasonality shapes not only our produce, but our harvesting. For traditional butchers, prosciuttos and smoking are left with the cold weather. Our new spring and summer climate turns us to the dried spices, mild green (unsmoked) bacon, fresh sausages and brined roasting hams.

Please note: For the best yield, the physiology of the pig shapes the cuts as much as the knife does. By working with and not against the carcass, we ensure you receive *100% of hanging weight*.
